

Council of Culture Youth Education in Saxony Anhalt

Council for cultural youth education in Saxony-Anhalt understands itself as an umbrella organisation and pool of interests for professional associations for music, literature, theatre, play, media and other creative-cultural youth education and leisure offers in the federal state Saxonia-Anhalt.

The LKJ is a country-wide recognized organisation of youth welfare in Saxony-Anhalt. Our main concern is the specific cultural education of the children and young people in the individual organisation that are form member and category-spreading.

The LKJ represents the interests of its members towards the responsible authorities and political committees, his a contact for effective public relations, distributes information and obtain contacts.

The LKJ is active in numerous committees:

- County Youth Welfare Services Board
- Subcommittee for Youth Welfare Service Strategies
- Working groups of the County Youth Welfare
- Jury for the Youth Culture Award
- Regional Music Council -Youth Makes Music
- Regional group for protection of minors
- Executive Committee Federal Union of Cultural Youth Formation
- LKJ County Conference
- Working group PISA of the BKJ
- Working group international affairs of the BKJ
- Campaign for International Youth Work
- Kuratorium Foundation Democratic Youth
